

**DID YOU KNOW...**

**WITH RESPECT TO OCCASIONAL EMPLOYEES**

To determine your salary step, **your file should be re-evaluated each time you are rehired** and all new experience and new scholarity should be taken into consideration. (Article 6-2.00)

You will find more information concerning these topics in the [Determination of salary step](#) Application Guide.

Other Information Capsules or Application Guides can be found on the FPSES website under the tab "**Guides d'interprétation**". This will answer many of your questions.

Feel free to contact your local union for further information or to suggest new topics.
